## DEFERRED PAYMENTS

We know that some families were heavily impacted by the 2018 tax season, and some summer budgets had to be tightened. We don't want the unexpected payments owed to the IRS to be the deciding factor for your child's enrollment in the YPP programs. PCPA wants to help these families keep their children engaged in the theatre programs they love so much, by offering a Deferred Payment plan for paying the enrollment fee.

Deferred payments allows the enrollment fee to be paid in two installments. The first is a deposit to reserve your spot in the program of your choice. Please note, this deposit is non-refundable. Check your calendars to be sure you are available to attend the week long program.

The second payment will be due no later than June 29, 2019. Please mark this date in your calendar as it will be the responsibility of the Parent/Guardian to make this payment on or before the deadline. PCPA or the Outreach Program will not be sending out reminders of the approaching deadline.

The second payment can be made by printing out this registration form again (having saved it to your computer) with your credit card information, or attached check. Please to not attach cash as there will be no way to document a cash payment. If you mail your second payment do so knowing there is adequate time for the USPS to process and deliver it before the deadline. Or you can submit it in person to our Box Office during Box Office Business hours. Make sure it is in a sealed envelope with YPP ATTEN: Leo Cortez on the front.
